The Insurance segment, which primarily transacts its business through Ceres is a cloud-native, highly scalable, de novo annuity insurance company. Inspired by the belief that technology can reinvent the way insurance providers meet the needs of investors, Ceres is building a nimble, efficient, and risk-conscious insurance company that provides simple-to-understand and easily accessible annuity products to create better outcomes for policyholders.

The Asset Management segment, which primarily operates through Arena is a global institutional asset manager with deep expertise in credit and asset-oriented investments. Founded in 2015, Arena manages assets across a full spectrum of corporate, real estate and structured finance opportunities.

This document is not, and under no circumstances is it to be construed as, an advertisement or a solicitation for any investment or any investment product with respect to Westaim or any of the entities described herein. ## Important Disclosures

### Non-IFRS Measures

#### Westaim

Westaim reports its consolidated financial statements using Generally Accepted Accounting Principles ("GAAP") and accounting policies consistent with IFRS. The Company discloses a number of financial measures in this presentation that are calculated and presented using methodologies other than in accordance with IFRS Accounting Standards as issued by the International Accounting Standards Board. Westaim cautions readers about non-IFRS measures that do not have a standardized meaning under IFRS and are unlikely to be comparable to similar measures used by other companies. These measures are used to monitor the Company's results and should not be viewed as a substitute for those determined in accordance with IFRS.

Adjusted EBITDA is a non-IFRS measure – see section 15 of Westaim's MD&A for the year ended December 31, 2025 for a discussion of non-IFRS measures including a reconciliation to Westaim's financial results determined under IFRS.

Book Value Per Share ("BVPS") is a non-IFRS measure – see section 15 of Westaim's MD&A for the year ended December 31, 2025 for a discussion of non-IFRS measures including a reconciliation to Westaim's financial results determined under IFRS.

#### Arena

Arena uses US GAAP, IFRS and non-IFRS measures to assess performance.

Assets under management ("AUM"): AUM refers to the assets for which Arena Investors provides investment management. AUM is generally based on the net asset value of the funds managed by Arena Investors plus any unfunded commitments. Arena Investors' calculation of AUM may differ from the calculations of other asset managers, and as a result, may not be comparable to similar measures presented by other asset managers. Arena Investors' calculations of AUM are not based on any definition set forth in the governing documents of the investment funds and are not calculated pursuant to any regulatory definitions.

Programmatic Capital includes callable capital to discretionary and non-discretionary separately managed accounts and certain pooled investment vehicles.

Fee-Paying Assets Under Management ("Fee-paying AUM") refers to the AUM on which Arena earns management fees, servicing expenses and/or incentive fees.

Investment-level Internal Rate of Returns ("IRRs") are calculated based on actual cashflows.

(1) The Company operates as an integrated insurance and asset management company with two primary operating segments: Insurance and Asset Management. The remainder of the activity for the Company is captured under Corporate, which includes investment activities within the Arena FINCOs, other investment activities at the corporate level, share-based compensation, and other corporate level activities. The establishment of the Asset Management and Insurance segments occurred with the closing of the Strategic Transaction, and therefore there are no comparative results to be disclosed.

### ASSET MANAGEMENT

- Asset Management had Adjusted EBITDA of \$0.4 million in Q4 2025, exclusive of \$0.3 million for severance expense allocations and \$0.1 million of non-recurring professional fees related to the Strategic Transaction.
- Total revenues included \$4.3 million of incentive fees and performance allocations and \$1.0 million of capital markets success-based fee revenues.

### INSURANCE

- The Insurance segment had Adjusted EBITDA of (\$11.6) million in Q4 2025, inclusive of \$0.7 million of platform build-out related expenses.
- The Insurance segment launched the distribution of its MYGA policies through its distribution partners in September 2025 and received regulatory approvals to launch its fixed index annuities offering, which launched in February 2026.
- Other income of \$4.1 million consisted primarily of interest income on cash and cash equivalents.
- Adjusted EBITDA included \$4.2 million of net insurance losses driven by the initial recognition of losses recognized on MYGA contracts required under IFRS reporting standards
- The business believes that the technology and processes underpinning its operations will be able to scale efficiently relative to its peer group, and this operating leverage capability should become more evident over the course of 2026

### CORPORATE

- Corporate is not considered an operating segment of the Company, but comprises activities that reside outside of our two operating business segments including investments within the Arena FINCOs, other cash and investments, compensation (including share-based compensation) for employees and directors of the Company, and other corporate overhead expenses that are not included in our operating segments.
- Corporate had Adjusted EBITDA of \$(3.5) million, which was driven by interest income of \$1.8 million, other income of \$0.2 million, and \$1.3 million of share-based compensation recovery and related FX gains, offset by \$1.8 million of salaries and benefit expense, \$1.5 million of professional fees, \$1.2 million of other operational expenses and a net loss on investment of \$2.5 million.

Vast Global Origination and Servicing Network

Offices in New York, Jacksonville, Purchase, Dublin, London, Bengaluru and Auckland<sup>(2)</sup>

**~\$6.9B**

deployed into 500+ privately negotiated and structured private convertible transactions

- Institutional investment manager focused on both public and private fixed income investments with over 180 people, inclusive of sourcing, underwriting, surveillance, workout, operational improvement and extensive financial / operational infrastructure.
  - Broad Platform – capabilities across Corporate, Real Estate, Structured Finance, and Corporate Securities allow the firm to pivot to the most compelling opportunities across cycles and market environments, avoiding overheated areas.
- Global firm with a deep sourcing and servicing infrastructure, which also means:
  - Arena’s broad capabilities and proprietary sourcing allow for compelling investments across the return/risk spectrum of investor portfolios, across credit and asset-oriented investments globally, at all parts of the capital stack, and at all levels of liquidity.
  - Servicing infrastructure has allowed Arena to manage any situations that do not materialize as expected, where average results are higher than initially expected in those situations.
  - End-to-end IT systems to manage investment process, giving Arena robust governance, transparency and a demonstrable edge.
- While Arena maintains this depth, breadth, global focus and infrastructure – the average transaction size is <\$50 million, avoiding competition with similarly situated “mega-firms”.

(1) As of December 31, 2025. These amounts include both committed and undrawn capital, and Programmatic Capital.

(2) Offices are also used by Arena affiliates.

## Differentiated Approach

- Arena is a growing global financial institution
  - Mandate flexibility and diversification contribute to consistency across cycles.
  - Proprietary sourcing and global infrastructure.
  - Intellectual property that can be leveraged for investors as well as third parties through Arena Institutional Services “AIS” .

## Proven Performance

- ~\$6.9 Billion deployed into 500+ privately negotiated transactions and structured convertible transactions
- 335 exited privately negotiated transactions and structured convertible note transactions<sup>(1)</sup>. 307 multi-strategy investments having a realized IRR of 13.5% gross<sup>(2,3)</sup>. 28 exited Stable Income – Real Estate Credit investments having a realized IRR of 11.5% gross<sup>(3,4)</sup>.
- The portfolio has had positive results in 37 of 41 quarters since inception<sup>(5)</sup>.
- Consistent and uncorrelated performance; stable results through market turbulence.

## Driving Third-Party Assets Under Management

- Arena’s AUM and Programmatic Capital<sup>(6)</sup> has grown at a compound annual growth rate of ~35% from December 31, 2015 to December 31, 2025.
- \$4.5 billion in AUM and Programmatic Capital<sup>(6)</sup>.

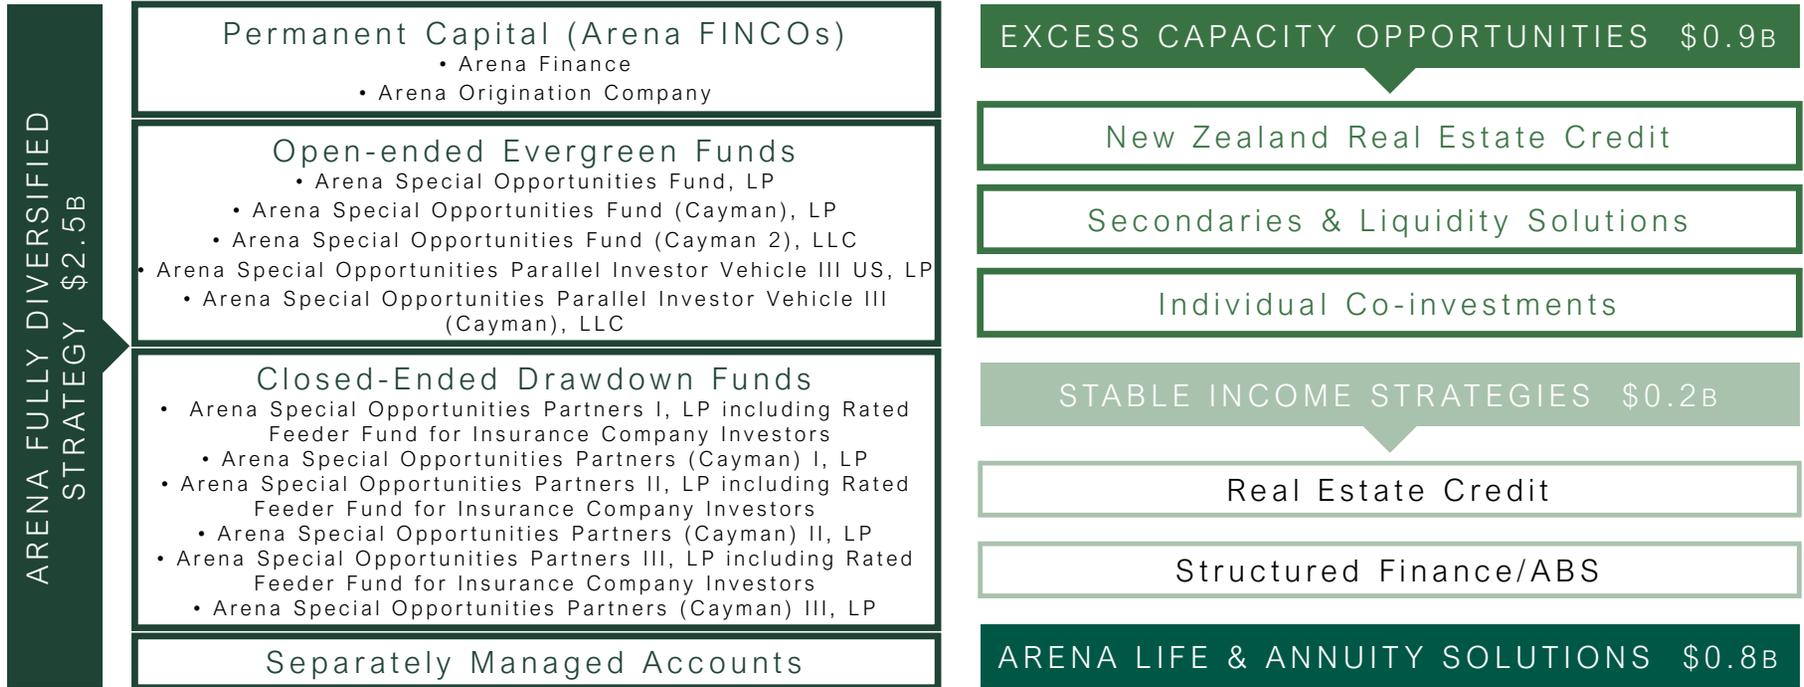

## Well Positioned To Drive Operating Leverage

- Future growth is expected to have significant operating leverage as Fee-paying AUM grows.
- Focused on driving valuable fee-related earnings and cash flow for distribution.
- Growth of insurance asset management to further grow Fee-paying AUM.

(1) Number of total private investments and structured convertible transactions inclusive of Arena’s multi-strategy investment vehicles as well as Stable Income – Real Estate Credit strategy investments.  
 (2) In addition to exited investments in Arena’s multi-strategy, 195 active positions have an underwritten IRR of 17.8% and a current IRR of 6.8%. Current IRR reflects all investment activity, i.e., prior actual cash flows and future projected cash flows (which are discounted as of the reporting date), from the inception of each applicable investment through the reporting date. The current IRR may not be representative of the realized IRR upon exit of each investment, which may increase or decrease.  
 (3) Investment-level Internal Rate of Returns (“IRRs”) are calculated based on actual cashflows. Effective Q4, 2025, Arena amended its IRR calculation methodology to reflect the weighted average based on actual cashflows. The firm previously used a weighted average based on total dollars deployed.  
 (4) Arena has an additional 8 active Stable Income – Real Estate Credit positions with an underwritten IRR of 10.8% and a current IRR of 1.1%. Current IRR reflects all investment activity, i.e., prior actual cash flows and future projected cash flows (which are discounted as of the reporting date), from the inception of each applicable investment through the reporting date. The current IRR may not be representative of the realized IRR upon exit of each investment, which may increase or decrease.  
 (5) Through December 31, 2025, and based on composite performance inclusive of asset servicing expenses charged to the investors beginning January 1, 2017, and calculated net of annual management fees of 1.5% and an incentive fee of 10% for all vehicles. Past performance is not indicative of future performance. Actual results may vary.  
 (6) These amounts include both committed and undrawn capital, and Programmatic Capital.

## \$4.5B AUM AND PROGRAMMATIC CAPITAL <sup>(2)</sup>

(1) Capital Invested = Lesser of capital calls or total commitment. Capital reinvestments during investment period are netted with distributions.

(2) Multiple of Invested Capital ("MOIC") = Total Value / Capital Invested.

(3) Fees are blended and range from 1.5-2% annual management fees and 10-20% carry over a 4% preferred return with GP Catchup. The returns are inclusive of a 0.5% asset servicing expense. All returns are based on the reinvestment of principal, interest and dividends received by the Fund.

(4) Fees are blended and range from 1.5-1.75% annual management fees and 17.5-20% carry over a 6% preferred return with GP Catchup. The returns are inclusive of an asset servicing expense based on a rate card by investment-type. All returns are based on the reinvestment of principal, interest and dividends received by the Fund.

(5) Excludes \$150MM of co-investment capital aligned to this product offering.

(6) Excludes \$300MM of co-investment capital aligned to this product offering.

(7) Returns are calculated net of annual management fees and an annual performance fee. These are calculated based on Tiers with Tier 1 and Tier 2 charging 0.30% and 0.40% management fee respectively, and 3% performance fee subject to 6% rolling 3-year hurdle. The returns are inclusive of a rate card asset servicing expense. All returns are based on the reinvestment of

principal, interest, and dividends received by the Fund. Inception to date performance is not annualized since this is the first year of activity.

(8) No management fees or servicing expenses. 0-15% carry.

(9) Programmatic Capital includes callable capital to discretionary and non-discretionary separately managed accounts and certain pooled investment vehicles.

DPI = Distribution to Paid-In Capital (DPI) ratio measures the cumulative proceeds returned to its investors by a fund relative to its paid-in capital.

RVPI = Remaining Value to Paid In (RVPI) ratio measures the current value of all remaining investments within a fund relative to its paid-in capital.

TVPI = Total Value to Paid-In Capital (TVPI) ratio compares the distributions returned to investors by a fund and the remaining value not yet realized relative to the contributed paid-in capital.
