THE COMPANY

Name and Incorporation

Westaim was incorporated under the *Business Corporations Act* (Alberta) (the “**ABCA**”) by Articles of Incorporation dated May 7, 1996 (the “**Articles**”), as a wholly-owned subsidiary of Viridian Inc. (“**Viridian**”, which includes Viridian Inc. and its predecessors). The Articles were amended effective June 26, 1996 to remove the private company restrictions on the transfer of securities, to create preferred share classes designated as Class A preferred shares and Class B preferred shares and to increase the maximum number of directors to fifteen. Restated Articles of Incorporation were issued under the ABCA on April 17, 2000 and the Articles were further amended on May 24, 2000 to permit meetings of shareholders to be held in certain specified cities outside of Alberta, or in any other city in Canada or the United States and to allow the board of directors of the Company (the “**Board**”) to appoint additional directors between annual meetings, subject to certain limitations. The Articles were amended again on February 8, 2010, February 26, 2010 and September 11, 2012 in connection with the creation of the Non-Voting Shares (as hereinafter defined) and the removal of the conversion restrictions attaching thereto.

On June 26, 1996, Westaim, through a reorganization, issued 75,000,000 of its common shares (the “**Common Shares**”) to Viridian in exchange for cash and the assets of its specialty materials businesses and related research and development activities. As a result of an initial public offering by prospectus dated June 26, 1996, Westaim became a public company. On July 8, 1996 and September 16, 1996, Viridian distributed to holders of its common shares, as dividends-in-kind, an aggregate of 70,923,248 Common Shares. Viridian subsequently disposed of the remainder of its Common Shares through market sales.

Westaim’s registered office is located at Fifth Avenue Place, 425 - 1st Street SW, 12th Floor, Calgary, Alberta T2P 3L8 and its head office is located at 212 King Street West, Suite 201, Toronto, Ontario M5H 1K5.

Intercorporate Relationships

The Company has no subsidiaries.

Summary Description of the Business

Westaim is a publicly traded Canadian-based company that invests directly and indirectly through acquisitions, joint ventures and other arrangements, with the objective of providing its shareholders with capital appreciation and real wealth preservation. Westaim’s strategy is to pursue investment opportunities to grow shareholder value (as measured by book value per share) over the long term.

General Development of the Business

Westaim was established with a view to produce and market products for global applications based on its advanced industrial materials expertise. At the time of its initial public offering, it had a portfolio of development stage new business opportunities which included: coking-resistant coatings, electroluminescent flat panel displays (through its subsidiary, iFire Technology Inc. (“**iFire**”)), biomedical coatings (through its subsidiary NUCRYST Pharmaceuticals Corp. (“**Nucryst**”)), electronic ceramics and structural ceramics.

In February 2000, iFire entered into a US\$25 million strategic business arrangement with Japan-based TDK Corporation for technology collaboration and production of iFire™ flat panel displays. In addition, TDK Corporation purchased a 2.5% equity stake in iFire for US\$7.5 million.

In a series of transactions completed in the second quarter of 2000, Westaim purchased an equity interest in Savvion, Inc. (“**Savvion**”) for US\$15.8 million through the purchase of a combination of outstanding shares and treasury stock. At the time, Savvion was a private, California-based company in the e-business management software and services business.

In May 2001, Nucryst sold its North American burn dressing business and entered into an exclusive global licensing agreement with Smith & Nephew plc (“S&N”) for the sale and marketing of Acticoat™ burn and wound care dressings.

On May 29, 2002, Westaim announced its intention to close or sell non-core assets to increase the focus of its management and financial resources on its two emerging businesses, iFire and Nucryst.

In January 2003, the Board retained investment bankers to undertake a review of its operations and to advise on strategic alternatives. A special committee of the Board was established for this purpose and led the review process. The comprehensive review reaffirmed Westaim’s commitment to iFire and Nucryst. In the fourth quarter of 2005, Nucryst completed an initial public offering of its common shares which were also listed on the NASDAQ Stock Market and the Toronto Stock Exchange (the “TSX”). Following Nucryst’s initial public offering, Westaim owned approximately 75% of the outstanding common shares of Nucryst.

In the third quarter of 2007, Nucryst signed amended agreements with S&N for the manufacture and sale of Acticoat™ products.

In April 2007, Westaim announced that it was undertaking a review of its business strategy and in the second quarter of 2007, it announced a significant reduction in staff and in research and development spending at iFire.

In the fourth quarter of 2007, Westaim announced that it would actively seek a buyer for the iFire business and assets and would discontinue further development of iFire’s thick film dielectric electroluminescent technology for application in the flat panel television market. Corporate management and administrative staff levels in Fort Saskatchewan and Calgary were also reduced as part of the broader reorganization.

In the first quarter of 2008, Westaim determined that maximum value would be realized by selling the individual assets of iFire including buildings, equipment and intellectual property. On October 17, 2008, Westaim announced a purchase and sale agreement for the sale of iFire’s equipment, patents and intellectual property. The sale of the iFire equipment was completed later in the fourth quarter of 2008 and the sale of the patents and intellectual property was completed in the first quarter of 2009.

On December 1, 2008, Westaim requisitioned a special meeting of shareholders of Nucryst to consider a reduction of the stated capital of Nucryst for the purpose of distributing US\$0.80 cash per common share to the shareholders of Nucryst. At a special meeting of shareholders of Nucryst held on February 12, 2009, Nucryst shareholders approved the return of capital totalling approximately US\$14.7 million which was distributed to its shareholders on February 25, 2009.

On April 3, 2009, Westaim announced that it planned to pursue strategic investment opportunities designed to maximize the value of its strong balance sheet and non-cash resources. To implement this strategy, Westaim entered into a management services agreement (the “MSA”) with Goodwood Management Inc. (“**Goodwood Management**”), an affiliate of Goodwood Inc., to manage the day-to-day affairs of Westaim and to present strategic investment opportunities for the Board to consider. On September 4, 2012, prior to the closing of the Jevco Transaction (as defined below), the Company acquired all of the issued and outstanding shares of Goodwood Management in exchange for \$4,016,542 in cash, subject to certain non-material post-closing adjustments, and the issuance of 36,514,902 Common Shares (the “**GMI Transaction**”). The consideration paid reflected the fair value of the assets and liabilities of Goodwood Management including an aggregate of 36,514,902 restricted share units previously issued to Goodwood Management. Following the completion of the GMI Transaction, Goodwood Management was wound-up into the Company resulting in the termination of the MSA. Prior to the completion of the GMI Transaction, Goodwood Management was a corporation controlled by J. Cameron MacDonald (the President and Chief Executive Officer and a director of the Company) and Peter Puccetti (a director of the Company).

On November 10, 2009, Nucryst entered into an asset purchase agreement with S&N under which it agreed to sell all of its operations and assets including all rights to its proprietary nanocrystalline silver technology to S&N. The sale transaction was completed on December 22, 2009. Also on November 10, 2009, a wholly-owned subsidiary of

Westaim, 1499642 Alberta Ltd. (“**1499642**”), entered into an amalgamation agreement with Nucryst. Under the agreement, Nucryst agreed to amalgamate with 1499642 (the “**Amalgamation**”). Under the terms of the Amalgamation, each holder of Nucryst common shares (other than Westaim) would receive one redeemable preferred share in the capital of the amalgamated company, which would be redeemed for US\$1.77 in cash upon completion of the Amalgamation. Pursuant to the Amalgamation, Westaim would receive all of the common shares of the amalgamated company. The Amalgamation was completed on February 8, 2010.

In November 2009, Westaim completed the sale of a wholly-owned subsidiary that held iFire’s land and building.

In January 2010, all of the outstanding shares in the capital of Savvion (including those held by Westaim) were acquired by Progress Software Corporation, a leading software provider.

On January 25, 2010, Westaim announced that it had agreed to purchase all of the issued and outstanding shares of JEVCO Insurance Company (“**Jevco**”) from its parent company, Kingsway Financial Services Inc. (“**KFS**”), (the “**Acquisition**”) and had arranged equity financing of \$275 million for the purpose of completing the Acquisition. Following the approval of Westaim shareholders at a special meeting held on March 25, 2010 and the receipt of the necessary regulatory approvals, the Acquisition was completed on March 29, 2010. The aggregate purchase price paid by the Company to KFS in respect of the Acquisition was approximately 94.5% of the book value of Jevco’s net assets at December 31, 2009, being \$261.4 million, subject to certain closing and other adjustments.

On May 2, 2012, Westaim announced that it had entered into an agreement with Intact Financial Corporation (“**Intact**”) pursuant to which, subject to regulatory approval and other terms and conditions, Westaim agreed to sell to a wholly-owned subsidiary of Intact all of the issued and outstanding shares in the capital of Jevco for \$530 million in cash (the “**Jevco Transaction**”). Shareholder approval for the Jevco Transaction was received at the special shareholder meeting on June 28, 2012 and the sale was completed on September 4, 2012.

On September 28, 2012, Westaim effected a cash distribution by way of a return of capital on its common shares (the “**Common Shares**”) of \$0.75 per Common Share (the “**Cash Distribution**”). The Cash Distribution represented substantially all of the net proceeds realized from the Jevco Transaction.

On January 9, 2013, the Common Shares commenced trading on the TSX Venture Exchange and were delisted from the Toronto Stock Exchange.

RISK FACTORS

The risks inherent Westaim’s operations are described in the MD&A under the heading “*Risks*” which is hereby incorporated by reference in this AIF and is available on SEDAR at www.sedar.com.

DIVIDENDS

With the exception of the Cash Distribution, the Company has not declared dividends or distributions for any of its three most recently completed fiscal years and does not expect to declare dividends or distributions in the foreseeable future. There are no restrictions preventing the Company from declaring dividends on its Common Shares provided that an equivalent dividend is declared on the Non-Voting Shares, however, any future payment of dividends will be dependent upon the earnings and financial condition of the Company and other factors that the directors may deem appropriate at the time.

DESCRIPTION OF CAPITAL STRUCTURE

The authorized capital of Westaim consists of an unlimited number of common shares, an unlimited number of Class A preferred shares, issuable in series and an unlimited number of Class B preferred shares, issuable in series. On February 26, 2010, the Company filed articles of amendment to create a series of Class A preferred shares designated as Series 1 Class A non-voting, participating, convertible preferred shares (the “**Non-Voting Shares**”).

As of the date hereof, the Company had issued and outstanding 695,209,537 Common Shares. No Non-Voting Shares or other series of Class A preferred shares or Class B preferred shares are outstanding.

Common Shares

Each Common Share carries one vote at all meetings of shareholders, is entitled to receive dividends as and when declared by the directors, and, subject to the prior rights of the holders of the Non-Voting Shares, is entitled to a pro rata share of the remaining property and assets of the Company distributable to the holders of the Common Shares and the Non-Voting Shares, upon any liquidation, dissolution or winding up of the Company.

To the knowledge of the directors and officers of the Company, the only party that owns beneficially, or exercises control or direction over, directly or indirectly, Common Shares carrying 10% or more of the voting rights attached to all Common Shares is Her Majesty the Queen in Right of the Province of Alberta as represented by the Alberta Investment Management Corporation (“**AIMCo**”). AIMCo manages the investment portfolio of pension funds, endowments and other funds, including the investment portfolio of 1523488 Alberta Ltd. (“**Holdco**”), which is the registered and beneficial owner of 306,000,000 Common Shares, representing approximately 44% of the outstanding Common Shares. The voting shares of Holdco are beneficially owned in equal portions by certain Alberta public sector pension plans, such that no one of those pension plans indirectly owns or exercises indirect control or direction over more than 10% of the issued and outstanding Common Shares.

The Company, Holdco and AIMCo have entered into a voting agreement dated as of May 25, 2012 (the “**Voting Agreement**”). The Voting Agreement will apply as at any date to any Common Shares beneficially owned by Holdco and/or over which AIMCo exercises control or direction, as of such date, which represent in excess of 40% of the issued and outstanding Common Shares (the “**Subject Shares**”). Pursuant to the Voting Agreement, Holdco and AIMCo agree to vote the Subject Shares in such manner as the Board specifies in the management proxy circular prepared, filed and delivered to Shareholders in respect of each such meeting of Shareholders or as otherwise directed by the Board. The Voting Agreement will terminate in any of the following events:

- (a) the Company is dissolved, liquidated or formally wound-up;
- (b) the number of Common Shares held by Holdco and AIMCo on a diluted basis ceases to represent at least 40% of the Company’s issued and outstanding Common Shares;
- (c) the Incumbent Directors cease to constitute a majority of the Board (where “**Incumbent Director**” means any member of the Board who was a member of the Board on the effective date of the Voting Agreement and any successor to an Incumbent Director who was recommended or elected or appointed to succeed an Incumbent Director by the affirmative vote of a majority of the Incumbent Directors then on the Board); or
- (d) another person or combination of persons at arm’s length to Holdco and AIMCo and their respective affiliates and associates acquires or becomes the beneficial owner of, directly or indirectly, more than 40% of the voting securities of the Company.

Class A Preferred Shares

The Class A preferred shares of each series shall rank equally with the Class A preferred shares of every other series with respect to dividends and return of capital, and shall be entitled to preference over the Class B preferred shares and Common Shares and over any other shares ranking junior to the Class A preferred shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidating, dissolution or winding-up of the Company, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs. Except as required by law or unless provision is made in the Company’s articles, in general, the holders of the Class A preferred shares as a class shall not be entitled to receive notice of, attend or vote at any meeting of the shareholders of Westaim.

Non-Voting Shares

Any holder of Non-Voting Shares may convert any or all Non-Voting Shares held by such holder into Common Shares based on the then applicable exercise number which at the date hereof is one Common Share for each Non-Voting Share. The Non-Voting Shares: (i) rank equally with the Class A preferred shares of every other series with respect to dividends and return of capital; (ii) are entitled to such dividends as the directors may declare; provided, however, that no dividend on the Non-Voting Shares shall be declared unless the directors shall declare an equal dividend on the Common Shares; and (iii) are entitled to a preference as to \$0.0001 per Non-Voting Share over the Class B preferred shares and the Common Shares and over any other shares ranking junior to the Non-Voting Shares, following which the Non-Voting Shares shall rank equally with the Common Shares with respect to the distribution of assets in the event of the liquidation, dissolution or winding-up of Westaim, whether voluntary or involuntary, or any other distribution of the assets of Westaim for the purpose of winding up its affairs. Except as required by law, the holders of the Non-Voting Shares as a series shall not be entitled to receive notice of, attend or vote at any meeting of the shareholders of Westaim.

Class B Preferred Shares

Subject to the prior rights of the Class A preferred shares, the Class B preferred shares of each series shall rank equally with the Class B preferred shares of every other series with respect to dividends and return of capital, and shall be entitled to preference over the Common Shares and over any other shares ranking junior to the Class B preferred shares with respect to priority in payment of dividends and in the distribution of assets in the event of the liquidating, dissolution or winding-up of the Company, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs, but are subject to the preference of the Class A preferred shares. Except as required by law or unless provision is made in the Company's articles, in general, the holders of the Class B preferred shares as a class shall not be entitled to receive notice of, attend or vote at any meeting of the shareholders of Westaim.
