Toronto, Canada – March 10, 2020 – The Westaim Corporation (“Westaim” or the “Company”) (TSXV: WED) is pleased to announce that Arena Special Opportunities Fund, an investment fund managed by Arena, was awarded the Best Distressed Credit / Special Situations Award at Alt Credit Fund Intelligence US Awards 2020, held in New York on February 12, 2020.

The Alt Credit US Awards 2020 are the only awards that recognize service providers, credit hedge funds, collateralized loan obligations and private debt funds who are outperforming their competitors and leading the way in the United States. Judges focused on the relative assets under management (“AUM”), speed of deployment, nature of the investments and appropriateness to the fund’s prospectus, track-records, other supporting materials and professional knowledge they have about shortlisted funds.

Funds which take advantage of credit that is deeply discounted or lending to borrowers facing weakness were considered for the Best Distressed Credit / Special Situations Award.
